

The best design hotels to stay in Paris right now

7/10

SHARE

From 19th Century opulence to young and modern Parisian flair, these are the chic addresses you'll want to check into next time you are in Paris.

Les Bains Paris

Each room in Les Bains has its own personality, with different natural materials such as white marble and precious woods bringing the rooms to life. The head bartender, Julien, is famous for whipping up gorgeous cocktails in their opulent, retro bar.

The best new hotels in Europe and the UK
